

Europe-Korea Conference on Science and Technology

“Pathways to Sustainability: The Role of Emerging Technologies”

19th - 22nd July 2022

Palais du Pharo, Marseille, France

www.ekc2022.org

Association des Scientifiques Coréens en France (ASCoF) invites you to participate in Europe-Korea Conference on Science and Technology (EKC), which will take place at the Palais du Pharo in Marseille, FRANCE, from 19th to 22nd July 2022.

EKC brings together Korean scientists and engineers working in Europe and Korea, and it also attracts European scientists and engineers interested in collaborating with Korean nationals. The conference aims to develop friendship, exchange knowledge and ideas, promote science and technology, and serve human beings and society.

As the main conference host, the ASCoF works closely with the Korean Federation of Science and Technology Societies (KOFST) and other eight affiliates in Europe which are in Germany (VeKNI), the UK (KSEAUK), Austria (KOSEAA), Finland (KOSES), Scandinavia (KSSEA), the Netherland (KOSEANL), Switzerland (KSEAS), and Belgium (KOSEAbel).

We would be delighted to have you at this conference and hope that you and other members of your organisation will accept this invitation to participate in the conference. Please look at the sponsorship packages we have put together for you. It would be greatly appreciated if you could make your choice, fill in the registration form and send it to us via secretary@ekc2022.org at your earliest opportunity. Please feel free to contact us if you need additional information on this event.

We look forward to seeing you at EKC 2022.
